

NVLX Market Report

NVLX Prime Cattle Sale – Tuesday 27th August 2024

A slightly bigger field of buyers were in attendance. Quality improved with some excellent grain assisted stock offered. The market fluctuated around quality and most buyers made purchases. Cows were once again highly sought after.

There was a limited selection of trade steers and heifers in the offering and they jumped in price from 34c to 56c making from 318c to 406c/kg. A few vealers this week sold from 355c to 380c/kg. Medium weight feeder steers sold to stronger northern competition making from 335c to 385c while the heifer portion traded between 310c and 330c/kg.

In the export market the lack of numbers distorted price trends. Bullocks and steers sold to a small group of buyers with prices ranging from 329c to 385c/kg. The smaller offering of cows encouraged buyers to step up for all weights and grades and prices lifted as the sale progressed. Heavy cows rallied 22c selling from 326c to 368c/kg Leaner grades made from 268c to 322c/kg. Heavy bulls sold at varying prices, the better shaped 243c to 298c/kg.
