Agents penned reduced numbers for the last sale for 2019. The yarding comprised of 800 cattle, including 150 cows and 5 bulls. A small pool of the usual domestic and export buyers were present as processors wind down for the Christmas break. The quality was plain across most categories with a handful of quality euro calves available to processors. The market was softer across all categories.

Veal numbers remained relatively good with the better shaped veal selling from 265c to 298c/kg, holding firm to a few cents easier for the heavier weights. The best of the trade weight steers sold to a weaker trend, easing up to 14c, making from 254c to 274c/kg. The heifer portion also sold to weaker trends, easing 10c, selling from 230c to 262c/kg. Yearlings suiting the lotfeeders were in reasonable supply with the better types making from 230c to 270c/kg, selling to mixed trends.

Grown steers and bullocks were very scarce and quality was plain. C3 grown steers eased 11c, making from 240c to 280c/kg. The grown heifer portion was also minimal making up to 256c for the heavier types easing 6c/kg. A small yarding of cows were available to processors easing up to 10c for the heavier portion. 3 and 4 score beef cows sold from 200c to 220c and the 2 score cows made from 170c to 208c/kg. Bulls with shape sold from 215c to 219c/kg.
